

Dear Hiring Manager,

I am writing to express my interest for the Engineering Manager position. With over 15 years of experience in engineering and project management, particularly in the electrical, integrated control and safety, instrumentation (EC&I), OT security, and digitalization sectors within the power generation, energy, and chemicals industries, I am confident in my ability to contribute effectively to your team.

In my current role as an Global Engineering Lead and Line Manager at Siemens AG, I have successfully managed multi-million-pound projects and programs across Europe, leading a diverse team of engineers globally and ensuring quality delivery and compliance with industry standards.

My responsibilities include overseeing the design, execution, and delivery of integrated control and safety systems, OT security projects and technical consulting, managing resources and schedules, and providing technical guidance and support. Additionally, I have extensive experience in functional safety management and cybersecurity, which are critical for the successful execution of projects in highly regulated industries.

My educational background includes a BSc in Electronics Engineering from the Mapua Institute of Technology, along with professional development programs such as the Manchester Leadership Development Programme and Siemens Professional Education in People, Engineering, and Business Management. These qualifications have equipped me with a strong foundation in both technical and business management, enabling me to drive projects to successful completion while maintaining high standards of quality and safety.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and certifications align with the needs of your team. Please find my CV attached for your review. I am available at your earliest convenience for an interview and can be reached at +44 7808 015613, my email at kertvin.tugado@gmail.com or connect with me on [LinkedIn \(Kertvin Tugado | LinkedIn\)](#) where I share my passion on engineering, project excellence and the latest industrial technologies.

Best regards,

Kert Tugado
